Key Messages

- ***We are in mourning for the loss of jobs and resources at the bedside.***
- ***Nurses believe that quality patient care is and will be impacted by the stranglehold the Provincial Government has put on Health Care funding.***
- ***TOH and other hospitals in this region are eliminating jobs, closing beds, cancelling surgeries along with increased closures of Operating Rooms this summer in order to balance their budgets.***
- ***We are asking everyone to send a clear message to the Provincial Government and their MPPs to stop the job cuts, that Health Care funding must meet the needs of our hospitals and the community.***
